## FAMILY CHECKLIST

### CREATE YOUR ACCOUNT ON GUESTBOOK

Click [HERE](#) to create your account.

### COMPLETE YOUR PROFILE ON GUESTBOOK

Once you have created your account on Guestbook, you need to complete 4 sections of your profile to become visible for students from France. The more information you provide in your profile, the more likely you'll be to be found by a student with the right profile for your family.

#### Main information

*Answer all questions. Provide a detailed description of your family in the "Introduce yourself and your family" form field.*

#### Family members

*Click on "Add family member" to add each family member living in your house (including yourself). Answer all questions about each family member.*

#### Pictures and videos

*Photos and videos are very important for a student to get a first idea of the host family. Add many photos of your family, your house, your backyard, your pets... Don't forget to include photos of the bedroom and the bathroom the student will be using in your house. A video is a great addition to your profile. Just grab your phone and make a quick video introducing yourself and your family before uploading it in this section.*

Availabilities

*Click on the dates when you are able to host and mark them as “available”. Your profile will only be visible for students who want to come during the periods when you are available to host.*

Our detailed user guide to complete your profile on Guestbook is available [HERE](#).

**ARRANGE A MEETING AT YOUR HOUSE WITH OUR LOCAL REPRESENTATIVE**

It is important for La Route des Langues USA to have a personal relationship with each host family and see where the student will be hosted.

Contact Nicolas Duhaut our local representative to plan a meeting:
